## Installation Guide

GROWWING II 640W

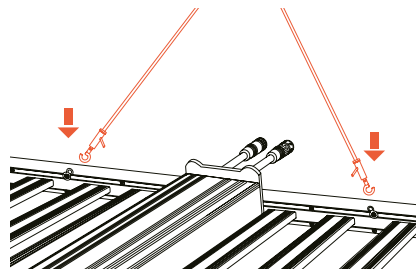

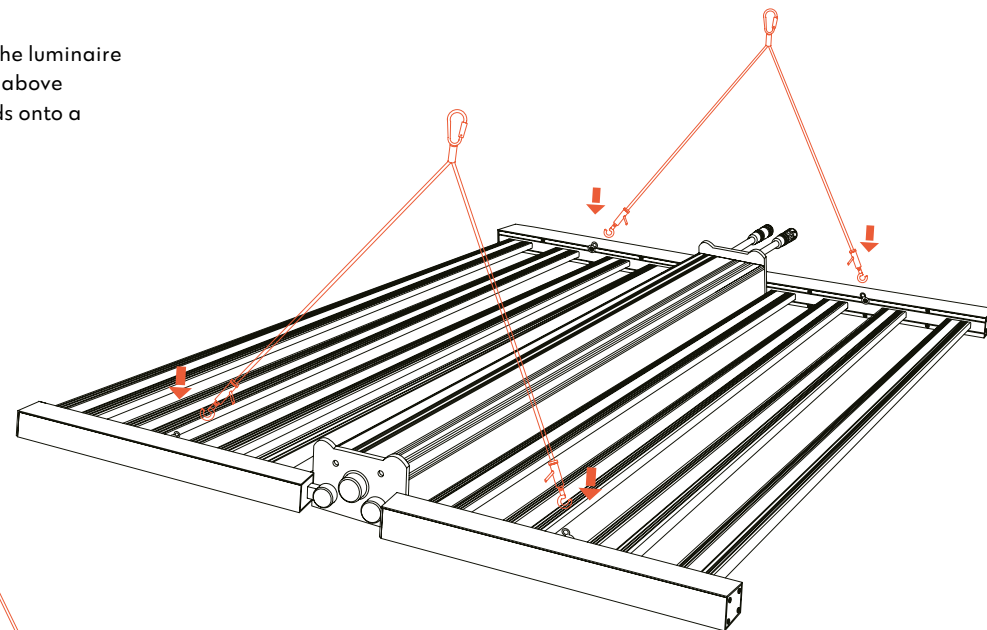

### 01.

Gently open the luminaire until it is flat.

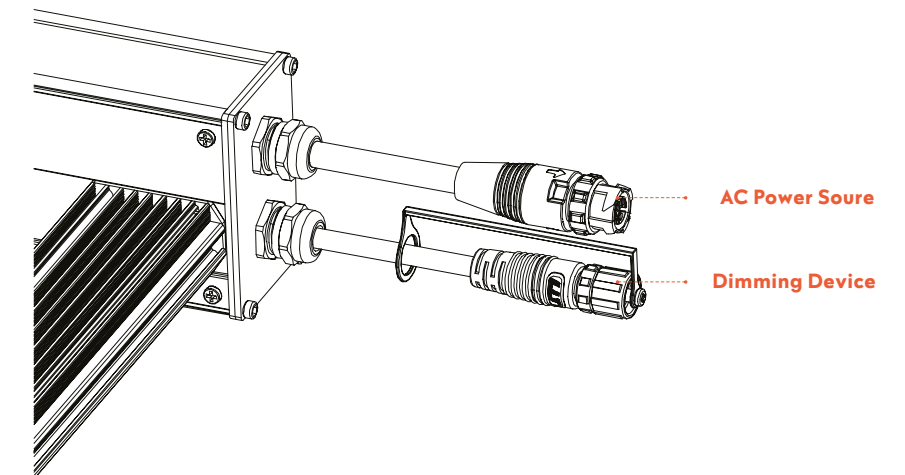

### 02.

Attach the Y-fit hangers to the luminaire on the four positions shown above and then hang the other ends onto a sturdy surface.

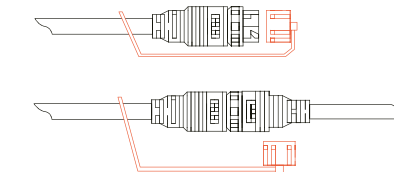

### 03.

Connect the AC power cord and the dimming cord for dimming options.

**Cable Connector Cap**

Please open the cable connector cap before you connect the cable.

**A B**

Connect plug A to plug B on each light.
